

Dear Parents,

June 19, 2009

Hello, please let me introduce myself, my name is Carol Woodall. I am the owner of Blue Willo Café & Catering Company. I have been contracted by your school to serve your children their hot lunch. First, I want to say how excited we are to be able to do this!

Our Mission at Blue Willo Café & Catering is to make children as passionate about eating our food as we are about making it. In our mind turning a previously picky eater into a food enthusiast with a healthy palette is music to our ears. We believe that this mission can only be carried out successfully through the following ideals:

- We believe food should come from kitchens not factories
- The best tasting fruit does not come from a can
- Healthy bodies enable healthy minds
- A meal is the sum of its parts.
- Good food starts with good ingredients!

You will be able to order your children's lunches on line at [www.theresaslunches.com](http://www.theresaslunches.com) Our web site will be up and running as of July 15, 2009. On this site you can access the monthly menu, menu descriptions, nutritional facts on menu items as well as allergy alerts for each menu item.

Payment is accepted on the site by using Visa, Master Charge, or American Express. If you are unable to pay by credit card you can mail your order to the café with a check. 4727 N. Central Ave Phoenix, Arizona 85012. Please keep in mind there is a \$45.00 return check fee for any returned checks.

We are going Green at Blue Willo Café & Catering! We are now offering recyclable lunch trays instead of Styrofoam trays. More information to come!

Thank you Carol Woodall
