**THE CHALLENGE IS ONE!!! COMPLIANCE!!!!**

**President Obama's Speech:** There have been many inquiries as to whether we will have the students watch President Obama's televised speech to the school-age children Tuesday, 8<sup>th</sup> at 9am. After getting input from staff and hearing from many parents the decision has been determined we will not have the students watch/listen to President Obama's speech.

Those parents interested in their child/children hearing the President are encouraged to tape the message and share with their child/children at an appropriate time.

Sincerely,  
Sister Patricia
