

Dear Parents,

**Parking:** We are aware there has been a great amount of congestion in the east lot during afternoon pick-up. We know this is partly due to the beginning of the school year and not all bus students riding the bus yet. In an attempt to ease this congestion the far east gate will be opened 2:40-3:15. That entry is a one-way with traffic going southbound only.

PLEASE! For ease of drop-off and pick-up, the north lot is reserved for Pre-school and Pre-Kindergarten parents only. PLEASE! All other parents should be using the east lot.

Be patient, drive slowly, don't use your cell phone when driving on campus, pay particular attention when backing up (lots of little children around), etc. As much as possible, if/when walking in the north lot walk between the blue line and red curb, stay alert.

With your full cooperation our traffic congestion problem will ease up tremendously over the next few days. Our primary goal is the safety of each of our students.

Sincerely,

*Sister Patricia*
