

Dear Parents,

Scholarship News: Parishioners, time is running out to redirect your state taxes to Saint Theresa Catholic School through CTODP. We know you are enjoying your Christmas break but many of your fellow Saint Theresa Catholic School families need these tax dollars to remain enrolled. If you are receiving CTODP funding you know first hand the importance of this free program. Redirect today! And, tell a friend or neighbor or coworker to do the same. Remember, **do not drop off your CTODP form to the school or parish office**, they must be mailed, submitted online at CTODP.ORG or called at 602.218.6542 (or 888 – TAX – CRDT) by December 31 in order to qualify. **Remember to designate Saint Theresa Catholic School - School Code 190.** Do not wait until the last minute and risk forgetting. Mail, call or go online today to redirect your state taxes to your school at no cost to you.
