

## **Wednesday February 3- Friday February 5**

St. Theresa Families are invited to recycle their “gently worn” shoes for people in need.

Every 9 seconds, Soles4Souls, Inc. gives away another pair of shoes to someone in need. The people that truly make the non-profit organization effective are those who clean out their closets to personally drop off their “gently worn” shoes at a participating location, such as St. Theresa School.

For a limited time, Soles4Souls and St. Theresa School will be collecting your gently worn footwear and/or donations to ship the shoes to victims of the Haiti Earthquake. It is estimated that Americans have 1.5 billion pairs of unused shoes lying in their closets. The charity can use each and every one of these pairs to make a tangible difference in someone's life.

“We can use the shoes taking up space in your closet to change the world one pair at a time,” “We need our partners in St. Theresa School to 'STEP UP' and get behind our call for action. It's one of the most simple yet profound gifts you can make, because it will greatly improve someone's life in the most difficult of times.”

This week, Wednesday February 3<sup>rd</sup> thru Friday February 5<sup>th</sup> Make a difference!

Bring your gently worn or new shoes to St. Theresa School. Please bundle them together with a rubber band and place in the collection box.

Thank you!
