

Dear Parents,

I invite any students of Saint Theresa Catholic School to join the cast of Beauty and the Beast to be performed on May 5th and 6th 2010. Any child who signs up for the production will receive a part in this 50 minute production. We look forward to our many hours of practice to make this production a huge success. If your son or daughter is interested, please come with your child to our Parent Meeting. We will have a calendar available so you can see the dates and times of rehearsals. We will also describe the details of our audition procedures.

Thank you,

Mrs. Rahman
