

Peter Pan, Jr. Audition Materials

STCS 2026

Dear STCS Students and Parents...

We are so excited to be back to produce the next amazing STCS musical, "Peter Pan, Jr." This is an amazing show with many wonderful and fun roles for both boys and girls. If you have never been a part of a production... This is a great opportunity for you. We work hard to make the audition process fun and light so there is no reason to be nervous. Below are some audition selections for you to prepare. Please remember: This is a "no cut" show... All who audition will be cast. Please select one of the audition songs below that corresponds to your grade. Memorization helps... but is not mandatory. Song sheets will be provided at auditions. A big smile and a positive attitude is the best thing you can bring into your audition. Have fun and show us your amazing personality!
