

Summer Math Requirement for Incoming 5th graders NEW TO ST. THERESA

Students are expected to work on basic math fact fluency (addition, subtraction, multiplication, and division) over the summer. Online programs, flashcards, etc may be used to practice these facts.

The following are websites that maybe used (most are free or offer a free trial):

<https://www.factmonster.com/math/flashcards>

<https://www.studyadder.com>

<https://www.arcademics.com>

<http://www.hoodamath.com/games/>

<http://www.adaptedmind.com/index.php>

<https://xtramath.org/#/home/index>

<https://www.mobymax.com>

<https://www.coolmath4kids.com/quizzes>

Apps for iOS or Android (some are free, most are a small one time fee):

Bedtime Math
Chalkboard Math
Reflex Student
Math Cards
Operation Math
Sushi Monster
Quick Math
Math Run

The students will be tested on math facts during the first weeks of school. Fact fluency is critical to success in math! Thank you for your support and cooperation.

See you in August!!
